

SWOAME proudly presents:

A Dinner/Workshop with Dr. Marian Small for all K-12 Math Educators.

Author of Good Questions, More Good Questions,
and Big Ideas from Dr. Small

Asking Better Questions in the
Math Classroom

*"Asking better questions in your
classroom can improve student
success and can improve student
attitudes toward mathematics.
It can also make the classroom a
much happier place to be for you
and your students."*

At the Caboto Club in Windsor

**Thursday, May 31st, 2012
at 4:30 p.m.**

Tickets:

No charge for SWOAME
members

\$10.00 for non-members
