

# Award Nomination Cover Page

**Elementary School Staff Award** recognizes an elementary school accommodating any or all of grades K-8 whose staff fosters collaborative and excellent mathematics teaching; contributes to the overall development of student learning of mathematics; and demonstrates leadership in the mathematics community.

## Award Nomination Process

1. Complete the Nominee and Nominator information section below. The nominator may include a 1-page letter of recommendation.
2. Provide up to three letters of support, of no more than two pages each. These supporting documents may be gathered from a variety of sources to reveal a full picture of the nominee. The support documents will provide precise information about the nominee’s contributions as they relate primarily to this award. All documentation supporting a nomination should align to the OAME Vision for mathematics teaching and learning. Support may come from a supervisor or administrator, parents of students, colleagues, former/current students, or other appropriate sources.

Note: Curriculum vitae not required.

The nominations will be assessed according to the criteria outlined below:

## Elementary School Staff Award for Exceptional and Collaborative Mathematics Teaching Specific Criteria:

- Fosters collegiality, teamwork and excellent classroom teaching
- Contributes to the overall development of students
- Demonstrates leadership in the math education community
