

Name: _____

Date: _____

Stock Up

1. Look through the stock listings and choose 3 companies to investigate.
2. Complete the columns: company name, symbol, current share price and 52 week high/low. If your paper doesn't have all of this information, go to www.tse.com to get it.
3. To find out what industry the company is in and other information go to www.sedar.com and check out company profiles. You may want to see if the company has its own website to get more information on it.
