To buy or not to buy?

- Go to www.learner.org/exhibits/dailymath/car to help you complete the chart below.
- Check off the appropriate column for each of the priorities listed below.
- For example, if a low monthly payment is a priority for you, should you lease or buy?

MY PRIORITIES...	LEASE	BUY
I want a low monthly payment.		
I want unlimited kilometers.		
I want low initial costs.		
I want no additional costs due to vehicle use at the end of the term.		
I want lower payments with more options.		
I want to drive the car for many years.		
I want a new vehicle more often.		
I want to be able to change how the car looks.		
I want to drive a vehicle without worrying about large repair bills.		
I want to know exactly how much I will pay .		
I want to own my own vehicle.		
I want to make the car go faster.		
I want a huge stereo in it.		
I want to drive a car that has the latest technology.		
MY DECISION:
