Two Great Opportunities for Secondary Mathematics Teachers
and Mathematics Departments

Texas Instruments is offering two workshops in Toronto focusing on the the TI-Nspire calculator and computer software. For information about the Nspire, visit www.ti-nspire.com. Both workshops are being hosted at Eastern Commerce Collegiate Institute, 16 Phin Avenue, M4J 3T2, located on the Danforth near the Donlands subway station in Toronto.

The Nspire Tour

Saturday, February 23
Registration at 8:30, workshops 9:00 a.m. – 4:00 p.m.

The Nspire Tour will provide participants with

- training in the use of the Nspire CAS calculator
- $100 discount to attend the **Exploring Mathematics**
- TI-Nspire CAS 30-day trial computer software
- Notebook of materials/activities from training (aligned with Canadian curriculum)

Cost: $25 Canadian,
FREE to teaching candidates.

- click on Canadian Cities

Exploring Mathematics

Friday April 18 and Saturday April 19
8:30 – 3:30

Each participant will receive a TI-Nspire handheld and TI-Nspire computer software (valued at ~$325).

The 2 days will focus on the integration of TI-Nspire technology into the classroom with the use of content-specific activities for our curriculum.

Cost: $325 Canadian.

- *Note*: attendees at the **Nspire Tour** pay only $225 after the $100 discount.
- Schools will have to arrange for their own OT coverage and payment for the conference
